# LINEARLEDS

LED BAR (4 IN 1)
LTL.BL154

This product can be used in a variety of situations, can be hang and put on the ground. The RGBW color mixing can be with or without DMX controller.

It has minimum 16psc one group special effect. The LED display sets with password protection. It can be used with DMX512 mode, master & slave connection, ...

Specifications

LED quantity	15 pcs 4 in 1 (RGBW)
Color range	16,7 million RGB color
Input voltage	100 - 240 AC / 50 - 60Hz
Max. power	110W
Protocol	DMX512
Optical system	Dimmer, strobe
Beam angle	30°
Operation temperature	-20°C - 40°C
Cooling	Natural
Housing	Aluminum
Dimensions	990x120x145 mm
Weight	5,7 kg
