

GARDEN SPEAKERS 40 W

LTS.GARDEN40

LINEARSOUND offers a complete range of speakers for the outside, including the range of speakers garden that fit perfectly into the vegetation.

These GARDEN speakers perfectly fade into the background thanks to their natural colours. They are used for outdoor applications (IP64). The bandwidth is high quality and the ground effect gives a good dynamic for low frequencies.

Applications

- General sound,
- Sport center,
- Public place,
- Resort park,
- Malls,
- Holidays center,
- Hospitals,
- Hotels, restaurants,
